## **School Canteen Guidelines for Students and Parents**

**As per GR received from the commissioner of FDA (Food and Drug Administration), Maharashtra state**, the school canteen is established to provide students with safe, hygienic, and nutritious food in a disciplined environment. The cooperation of both students and parents is essential in ensuring the smooth functioning of the canteen. Kindly adhere to the following guidelines:

### **Guidelines for Students**

1. The use of the school canteen is entirely optional.
2. Students may bring their own healthy lunch and snacks from home.
3. Students using the canteen should purchase food only during the designated break times.
4. Maintain discipline by standing in a queue and waiting patiently for your turn.
5. Treat canteen staff and fellow students with courtesy and respect.
6. Buy only the amount of food you can consume to avoid wastage.
7. Dispose of all food waste and packaging in the bins provided.
8. Keep the canteen and surrounding areas clean at all times.

### **For Parents**

1. The school canteen is a convenience and **not a compulsory service**.
2. Parents may choose to send a nutritious home-packed meal for their child.
3. If your child uses the canteen, encourage them to make healthy food choices.
4. Support the school in promoting healthy eating habits, good manners, and responsible use of the canteen.

**"Healthy Eating, Responsible Behaviour, and Clean Surroundings  
Contribute to a Better Learning Environment."**
