Dear Parents,

Greetings for the Academic Year 2026-2027!!!

We are excited to welcome our students back to school for the new academic year 2026-2027!

The new academic session 2026-2027 is set to begin on **17th March, 2026**. We are excited to continue our journey with new vigor and vision. Our dedicated teachers and staff have been working diligently to create a safe and nurturing environment where academic success, personal development, and holistic growth are the main hallmarks. We believe that strong collaboration between parents and the school enhances student success. We encourage parents to stay engaged through regular meetings and events.

As we step into the promising year ahead, we are thrilled to introduce our new initiative – The STEM LAB (Science, Technology, Engineering, Math). This lab will provide hands-on learning experiences, fostering innovation and creativity in our students.

Looking forward to a fantastic year ahead!
