Subject: Introduction of Single-Shift System and Revised School Timings – Academic Year 2027–2028

Dear Parents,

Greetings from New Horizon World Academy!!!

We are pleased to share an important development regarding the functioning of our school from the forth coming Academic **Year 2027–2028.**

As part of our endeavour to continually enhance the overall functioning of the school and provide a more streamlined and enriching educational environment for our students, the school will be transitioning to a **Single-Shift System** from the academic year 2027–2028.

The proposed transition was presented and discussed with the members of our Parent-**Teacher Association (PTA).** We are delighted to share that the proposal received an **affirmative and enthusiastic response** from the PTA members and parents. We sincerely value their confidence, cooperation and support in this important transition.

We have also taken due cognizance of the queries and suggestions received from a few parents regarding the revised duration of the school day. The Management has carefully considered these concerns, keeping in view the **academic requirements, instructional time, student well-being and effective functioning of the school.**

After due deliberation, the revised school timings have accordingly been finalized.

REVISED SCHOOL TIMINGS

Applicable from Academic Year 2027–2028

Grades 1 to 10
Reporting Time: 7:45 a.m.
Dispersal Time: 2:30 p.m.

The revised schedule has been thoughtfully structured to ensure that the transition to a single-shift system is smooth and purposeful, while continuing to provide our students with adequate and meaningful instructional time.

We would like to reassure all parents that **there will be no compromise on the quality of education, academic rigour or holistic development of our students**.

Our academic planning, teaching-learning processes and co-curricular opportunities will continue to be designed with the overall development of every child as our foremost priority.

We believe that this transition will enable us to further streamline our school operations and create an environment that is **efficient, focused, child-centric and conducive to learning.**

We look forward to your continued trust, cooperation and wholehearted support as we embark upon this new chapter in the journey of our school.

Warm Regards,

Mrs. Bhawana Trivedi
Principal
New Horizon World Academy, Kalyan
